Hi Jeannie,

Attached are your email from Sep 27, 2013 with comments on the summary section of the Data Gap Report. As discussed today, please take another look at the comments and let me know if you have additional comments. I will thereafter schedule to wrap up the report as a Final document.

The full report is on the SharePoint site Under Task 2 (dated September 2, 2013). I will email you the pdf version of the 2013 Draft in a minute, FYI.
